Concorso di programmazione per giovani

The first round takes place online. Try it!

Submit your solutions between 15.9. and 30.11. You directly get your number of points and can submit as often as you like. During this time, our programming and algorithms workshops also take place. Sign up, no matter if you can already program or not!

You're eligible to participate as long as you're attending a Swiss school and are below 20 years.
