Event

The Swiss Olympiad in Informatics is a programming contest for young people under 20 years of age. It is part of the swiss Science Olympiads for high school students. At the SOI Day the winners of the first round are announced and prizes are awarded to the top participants. The solutions of the tasks are presented and speakers from academia and industry offer an insight into the world of computer science.

Location

The SOI-Day takes place at Audimax (HF F30) at ETH Zurich. This room is located on the F-floor of the main building of ETH at Rämistrasse 101. The way will be marked inside the building. More detailed information regarding the location can be found here: http://soi.ch/s/audimax

Lunch & Arrival

Lunch will be provided for all registered attendees by the SOI.

The public transport expenses for participants will be reimbursed by the SOI. Please bring along your ticket so we can reimburse you. Reimbursement is only for half-fare tickets up to the price of a day-card.

Sign up

To estimate the number of attendees for lunch please register until the 4th of January. http://soi.ch/s/soiday2020.
